## FENCING AND STORAGE BUILDING APPLICATION

NOTE: Submitting this application does not guarantee Board approval. Once a decision has been made, you will be contacted by a Board member.

### FENCING

**HEIGHT** Maximum height to be 6 feet  
**MATERIAL** Made of wood  
**FINISH** Natural aged or clear sealant – No painting of the fence will be permitted  
**STYLE** Privacy (prevents unauthorized entry)  
**SUPPORT** Posts backfilled with concrete  
**POSITION** Frame side of the fence faces the interior of the property

### STORAGE BUILDINGS

**SIZE** 12' x 12' maximum  
**ROOF HEIGHT** 9 feet maximum  
**MATERIAL** Vinyl siding or wood  
**COLOR** Must match siding color of house  
**SHINGLES** Must be the same style and color as the shingles on your existing roof

### ADDITIONAL SUGGESTIONS

We strongly suggest that you have a "Pinned Survey" done to make sure your fence/storage building is installed in the correct location. Also, it is the responsibility of the Home Owner to contact the UTILITY COMPANIES and have them mark their lines so you do not accidentally cut into one of them when digging. In addition, you must of course conform to any subdivision and governmental regulations regarding permits, location restrictions, etc.

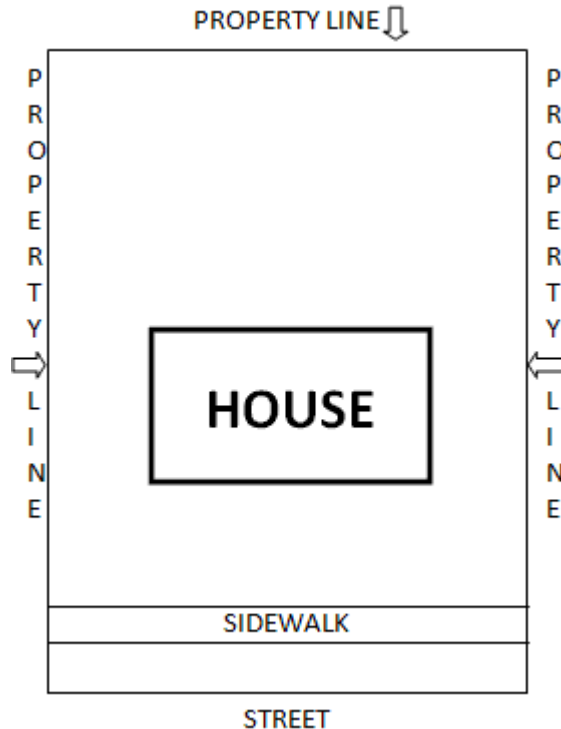

Please draw "XXXX" on illustration to represent the fence and show us where you want to locate your fence.

If professionally installed, please provide information below:

Name of fencing company \_\_\_\_\_

Phone # \_\_\_\_\_

LFUCG Contractors ID # \_\_\_\_\_

Please draw

**STORAGE BUILDING**

Including measurements and roof height on illustration to show us where you want to locate your storage building.
